

## Technical data sheet

### Shield clamps 1080-012C / SKLF 1,5 - 3

(Status as of 15/01/2024)

#### Design features

|                              |                         |
|------------------------------|-------------------------|
| Dimensions (L / B / H) (mm)  | 8 x 12.8 x 22.9         |
| Shield diameter min/max (mm) | 1.5 / 3                 |
| Weight (kg)                  | 0,003                   |
| Part                         | shield clamp            |
| Part 2                       | soldering base          |
| Material                     | galvanized spring steel |
| Material 2                   | brass                   |
| Mounting type                | PCB                     |

## Order designation

| Shield clamps |           |  |              |
|---------------|-----------|--|--------------|
| Designation   | Order No. | Description  | PU           |
| SKLF 1,5 - 3  | 1080-012C | Shield clamp for printed circuit boards, shield diameter 1,5-3mm | PU = 10 pcs. |
