

Technical data sheet

1022-326C / SKD 5 17 - 30

(Status as of 15/01/2024)

Design features

| | |
|------------------------------|-------------------------|
| Dimensions (L / B / H) (mm) | 20.5 x 26.1 x 36.9 |
| Shield diameter min/max (mm) | 17 / 30 |
| Hole diameter D1 (mm) | 5.2 |
| Mounting hole 1 | M5 |
| Weight (kg) | 0,005 |
| Part | shield clamp |
| Material | galvanized spring steel |
| Mounting type | screw mounting |

Order designation

| Designation | Order No. | Description | PU |
|---------------|-----------|--|--------------|
| SKD 5 17 - 30 | 1022-326C | Shield clamp for direct assembly, boring for M5, shield diameter 17 - 30mm | PU = 10 pcs. |
